Eligibility

Only The University of Arizona students, employees or approved affiliates are eligible for a CatCard. Violations of university policies or loss of affiliated status may result in loss of CatCard privileges.

Information Printed and Encoded on the Card

The card is printed with your name, as registered at The University of Arizona, your photograph, signature and an ISO (International Standards Organization) number. All cards include two types of SmartChips, the contact and the contactless. Encoded on the magnetic stripe and SmartChips are your name, University ID number and ISO number. Personal information stored on the card will be subject to applicable laws and university policies.

Services and Uses of Card

The contactless SmartChip is used solely for door access to certain buildings. The magnetic stripe is used for all other listed services. Use of the CatCard by someone other than the cardholder is prohibited.

On campus, the card is used as an identification card and for the following services depending on your affiliation status with The University of Arizona: Meal Plan, Parking, Printing and Copying, Laundry, Library Services, Bookstore, Recreation Center, ZonaZoo Athletics, keyless access to buildings, and verification of signature.

Wells Fargo Banking Partner

Wells Fargo Bank is the CatCard's official banking vendor. If you have an account at Wells Fargo, or wish to open one, you may link your CatCard and use it as your debit card with a 4-digit pin number. The University of Arizona is not responsible for any debit card purchases made using the CatCard.

Eligible Faculty and Staff, as part of their employment, are issued their first CatCard free of charge. Students and Associates pay \$25.00 for their first CatCard. Student cards are automatically charged to their UAccess Student Account. All cardholders pay \$25.00 for replacement if lost, damaged, destroyed or altered cards.

Exceptions:

1. Employees with a name change documented in UAccess Employee.
2. If the card is stolen and a valid police report is presented within 90 days of the card replacement.
3. To have your preferred name printed on your card at no charge, you must turn in your current CatCard. This is a one-time exception.

You acknowledge, understand and hereby agree that you are solely responsible for any and all collection costs (including reasonable attorney fees) charged by an external collection agency for the collection of any amount not paid when due and further authorize The University of Arizona to add all collection costs to the balance of your unpaid obligation.
